**WISCONSIN'S SUNDARA INN & SPA JUST AS WOWED BY TOP 5 RANKING AS THE COMPANY IT KEEPS
IN 2014 "BEST DESTINATION SPAS" LIST FROM TRAVEL + LEISURE MAGAZINE**

WISCONSIN DELLS, Wis. (July 8, 2014) – First they looked at the ranking – up five spots from a year ago to #5. Then they looked at who else made the list. For the team at Sundara Inn & Spa in Wisconsin Dells, Wis., both were equally glee-producing. *Travel + Leisure* magazine has just released the results of its World's Best Awards 2014 readers' survey for Top Destinations Spas Overall and Sundara is honored among the crème de la crème, including Rancho La Puerta in Mexico, Mii Amo in Arizona, Lodge at Woodlock in Pennsylvania, and Lake Austin Spa in Texas. The full results are available on <http://www.travelandleisure.com/worlds-best-spas-2014-winners-list> and will be featured in the August issue of the magazine, on newsstands July 18. For more on Sundara, log on to www.SundaraSpa.com.

This latest award has now been added to the list of most recent accolades for this Midwest spa, including being ranked the #3 Spa in North America in the 2013 *Condé Nast Traveler* magazine survey and receiving [Top 10 honors in five categories](#) in the 2013 SpaFinder.com Readers' Choice Awards: Best for Girlfriend Getaways and Bachelorettes, Best for Accommodations, Best Interior Design, Best for Romance, and Best Eco-Spa. Sundara also received the TripAdvisor Certificate of Excellence for 2014.

Sundara is tucked back in a fragrant pine forest on the scenic outskirts of Wisconsin Dells. It was one of the first destination spas of its kind in the heartland when it opened in 2003, offering a pristine retreat-like setting for people in need of a sanctuary from stress and good-for-you treatments and recreation. This adult-only property has 26 suites and a handful of private villas, each with high-end furnishings, fireplaces, Euro-style designer baths and beautiful artwork.

In the last few years, Sundara has built significantly on its philosophy of wellness through tranquility, adding both a conversation-free garden patio adjacent to the heated outdoor infinity pool and a meditation trail in the woods, while increasingly emphasizing the benefits of silent sports like yoga and biking complemented by Ayurvedic spa treatments that are restorative for mind and body.

Directly adjacent to Sundara is its championship golf course, Wild Rock. Sundara is a member of the Green Spa Network and is Travel Green Wisconsin certified. It is also a proud supporter of the Breast Cancer Recovery foundation based in nearby Madison.
