SUNDARA INN & SPA RELAX RESPONSIBLY PROGRAM

RELAX, RESPONSIBLY

SUNDARA PLANNED REOPENING

Sundara has always held the comfort and safety of our guests and staff in the highest regard. In light of COVID-19 we have taken a number of additional steps to ensure that those at our properties are able to spa and work in a clean and enjoyable environment.

The details of our Relax Responsibly Program can be found below:

**RELAX
RESPONSIBLY**

Sundara Inn & Spa

PHYSICAL DISTANCING

Guests will be asked to gather in groups of 10 people or less and to remain at least 6 feet apart from other groups of guests while on property. Signage and other markers have been placed throughout the resort to remind and reinforce the need for social distancing.

Sundara Inn & Spa®

EMPLOYEE PROCEDURES

All employees will undergo COVID-19 Safety Training before guests arrive back at our resort. In addition:

- All employees are required to have their temperature taken before starting their shift and will be sent home if they have a fever over 100.4 or present other symptoms of a potential illness.
- All employees have been issued a face mask to wear when appropriate social distancing may not be available to them.
- All housekeeping staff, food and beverage staff, and others who are handling guest goods or merchandise are required to wear gloves and a mask.

Sundara Inn & Spa®

REGISTRATION

- Plexiglass barriers have been installed at each front desk workstation.
- All materials (room key, guest charge cards, cash, etc) for transfer between guests and staff are being placed on a countertop to avoid direct contact.
- All guest touch points are being disinfected frequently utilizing hospital-grade cleaning products.
- Guests are being advised to practice physical distancing by standing at least six feet away from other people while standing in line. Social distance markers have been added to all queueing areas to aid in this communication.
- Hand sanitizer stations have been added at all guest registration areas.

Sundara Inn & Spa®

ACCOMMODATIONS

- Prior to a guest's check-in, all guest rooms (and other lodging options) are being disinfected utilizing hospital-grade cleaning products with special attention paid to high touch points.
- As an additional precaution, BIOPROTECT (which uses patented, EPA registered technology to kill and inhibit the growth of problematic bacteria, fungi, algae, protozoans, viruses and other microorganisms that can exist on many surfaces) is also being applied with an electrostatic sprayer. It has a 90-day residual effect from time of application and is being reapplied as necessary.
- During a guest's stay the Inn WILL NOT BE ALLOWING our housekeepers into your suite to provide stayover service or to provide additional amenities. We are delighted to deliver any needed items to your door. We believe your guest room is your sanctuary and this a best practice to provide peace of mind for all of our guests.
- Our laundry facility is utilizing ozone cleaning technology along with UV light disinfection for all sheets, blankets and towels.
- Our housekeeping and laundry team members are required to wear gloves and masks at all times. Suite cleaning staff are changing their gloves between each room.
- Invoices for overnight stays will be directly emailed and all reservations will be check out at 11am the day of departure

Sundara Inn & Spa®

SUNDARA SPA

- All spa team members are required to wear masks.
- High touch areas, handles, faucets, trash-receptacle touchpoints and counters are frequently being deep cleaned.
- Table linens will be removed and washed after each service.
- Service tables, as well as any used equipment, tools or baths will be sanitized following each service.
- As an additional precaution, BIOPROTECT (which uses patented, EPA registered technology to kill and inhibit the growth of problematic bacteria, fungi, algae, protozoans, viruses and other microorganisms that can exist on many surfaces) is also being applied with an electrostatic sprayer. It has a 90-day residual effect from time of application and is being reapplied as necessary.
- All therapists will wash their hands prior to the start of each service using best handwashing practices.
- Guest hands will be sanitized as part of their service.
- Due to increased sanitation levels services may not start as scheduled, rest assured you will receive the entirety of your service.
- All charges will be charged out at the end of the day so guests need not check out.

POOL AMENITIES

- Please note: On March 13th the CDC stated, "There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine or bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19."
- Our Certified Pool Operators are conducting ongoing chemical readings to ensure our water is safe.
- We are frequently disinfecting and sanitizing all locker rooms, common areas, and touch points with hospital-grade cleaning products.
- Guest tables and chairs are being sanitized to the extent possible between new guests and are spaced to provide effective social distancing.
- Guest lockers are being cleaned and sanitized.
- Additional hand sanitizing stations have been placed throughout the property.
- Guests are being asked to sit and spa in groups of no more than 10 people and to space themselves at least 6 feet away from other guests.
- Social distancing markers have been added on furniture and fitness equipment to remind and reinforce social distancing guidelines.
- Staff are monitoring social distancing and spa capacity to ensure safe spacing.
