

RELAX RESPONSIBLY PROGRAM

Sundara Inn & Spa has always held the comfort and safety of our guests and staff in the highest regard. In light of COVID-19 we have taken a number of additional steps to ensure those at our property are able to spa and work in a clean and enjoyable environment.

Safety of our guests and staff remains our top priority. As such, we are requiring guests and staff to wear masks in all indoor public areas, we are following all DHS recommendations and other public health guidelines, and adhering to the policies and procedures laid out in our Relax Responsibly Program.

Sundara Inn & Spa®

RELAX RESPONSIBLY PROGRAM

MASK WEARING & DISTANCING

Our associates are required to wear masks at all times. Guests' face coverings are required in all indoor common areas. Guests will be asked to gather in groups of 10 people or less and to remain at least 6 feet apart from other groups of guests while on property. Signage and other markers have been placed throughout the resort to remind and reinforce the need for social distancing.

Face coverings are not required in pools, waterfalls and showers; when eating and drinking; and in your suite.

Sundara Inn & Spa®

EMPLOYEE PROCEDURES

All employees have undergone COVID-19 Safety Training at our resort. In addition:

- All employees are required to have their temperature taken before starting their shift and will be sent home if they have a fever over 100.4 or present other symptoms of a potential illness.
- All employees have been issued a face mask to wear when appropriate social distancing may not be available to them.
- All food and beverage staff, and others who are handling guest goods or merchandise are required to wear a mask.

Sundara Inn & Spa®

CHECKING-IN

- Plexiglass barriers have been installed at each front desk workstation.
- All materials (room key, guest charge cards, cash, etc) for transfer between guests and staff are being placed on a countertop to avoid direct contact.
- All guest touch points are being disinfected frequently utilizing hospital-grade cleaning products.
- Guests are being advised to practice physical distancing by standing at least six feet away from other people while standing in line. Social distance markers have been added to all queueing areas to aid in this communication.
- Hand sanitizer stations have been added.

Sundara Inn & Spa®

ACCOMMODATIONS

- Prior to a guest's check-in, all guest suites (and other lodging options) are being disinfected utilizing hospital-grade cleaning products with special attention paid to high touch points.
- As an additional precaution, BIOPROTECT (which uses a patented, EPA registered technology to kill and inhibit the growth of problematic bacteria, fungi, algae, protozoans, viruses and other microorganisms that can exist on many surfaces) is also being applied with an electrostatic sprayer. It has a 90-day residual effect from time of application and is being reapplied as necessary.
- During a guest's overnight stay, housekeepers WILL NOT be allowed into your suite to provide stayover service or to provide additional amenities. We are delighted to deliver any needed items to your door. We believe your guest room is your sanctuary and this a best practice to provide peace of mind for all of our guests.
- Our laundry facility is utilizing ozone cleaning technology along with UV light disinfection for all sheets, blankets and towels.
- Our housekeeping and laundry team members are required masks at all times.
- Invoices for overnight stays will be directly emailed and all reservations will be check out at 11am the day of departure

Sundara Inn & Spa®

COMMON AREAS

- All common-area cleaning team members are required to wear masks.
- Common areas, handles, faucets, trash-receptacle touch-points, elevator buttons, keypads, luggage carts, and counters are frequently being deep cleaned.
- As an additional precaution, BIOPROTECT (which uses a patented, EPA registered technology to kill and inhibit the growth of problematic bacteria, fungi, algae, protozoans, viruses and other microorganisms that can exist on many surfaces) is also being applied with an electrostatic sprayer. It has a 90-day residual effect from time of application and is being reapplied as necessary.
- Additional hand sanitizing stations have been placed throughout common areas including elevators, guest entrances, etc.
- An increased cleaning focus is being placed on any areas where events or gatherings are held.

Sundara Inn & Spa®

SPA TREATMENTS

- All spa team members are required to wear masks. During some services, guests may be asked to wear masks.
- High touch areas, handles, faucets, trash-receptacle touch-points and counters are frequently being deepcleaned.
- Table linens will be removed and washed after each service.
- Service tables, as well as any used equipment, tools or baths will be sanitized following each service.
- As an additional precaution, BIOPROTECT (which uses patented, EPA registered technology to kill and inhibit the growth of problematic bacteria, fungi, algae, protozoans, viruses and other microorganisms that can exist on many surfaces) is also being applied with an electrostatic sprayer. It has a 90-day residual effect from time of application and is being reapplied as necessary.
- All therapists will wash their hands before and after each service using best handwashing practices.
- Guest hands will be sanitized as part of their service.
- Due to increased sanitation levels services may not start as scheduled, rest assured you will receive the entirety of your service.
- All charges will be charged out at the end of the day so guests need not check out, unless making a retail purchase.

Sundara Inn & Spa®

POOL AMENITIES

- Please note: On March 13, 2020, the CDC stated, "There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine or bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19."
- Our Certified Pool Operators are conducting ongoing chemical readings to ensure our water is safe.
- We are frequently disinfecting and sanitizing all locker rooms, common areas, and touch points with hospital-grade cleaning products.
- Guest tables and chairs are being sanitized.
- Guest lockers are being cleaned and sanitized.
- Additional hand sanitizing stations have been placed throughout the property.
- Guests are being asked to sit and spa in groups of no more than 10 people and to space themselves at least 6 feet away from other guests.
- Social distancing markers have been added on furniture and fitness equipment to remind and reinforce social distancing guidelines.

Sundara Inn & Spa®
